GENERAL CIRCULAR

Dear Parents/Guardians,
Seasons Greetings!

We are reaching the end of the academic session 2021-22. We express our gratitude to God Almighty for guiding us all through this year. Our sincere thanks go to our dear parents for supporting us during this difficult time of pandemic. We hope to get your continuous support in the coming year 2022-23 for the holistic development of the students.

Kindly note the following important events for the session 2021-22:

- Graduation Day:** The 2nd Graduation Day was celebrated on February 19, 2022. A Citation, a Memento and a Yearbook was awarded to the students. Due the restrictions of the pandemic, we could not invite the parents, however, I'm sure that the memories the students have collected from Xaviers will remain with the parents and students forever.
- Annual Examination:** Annual Examination for Classes IX and XI and Pre-Board Examination for Class X and XII will conclude on March 09, 2022. The Annual Examination for Classes **I to VIII will be commencing from March 14, 2022 through the Online mode**. The date sheet has been uploaded on the official website of the school.
- CBSE Board Examination:** Board Examination (Term-2) for Classes X and XII will commence from April 26, 2022. However, the date sheet is yet to be released by CBSE. Practical Exams for Class XII will be held in the month of March and April 2022 as per the schedule which has to be given by the external examiner. We appeal to all the parents to guide and support wholeheartedly to your wards who are going to appear for the Board exams. Take care of them by providing nutritious food, quality time and encourage them so that they perform well in their examination.
- PTM:** The PTM will be held as per the schedule mentioned below. The results of Classes I to IX & XI will also be declared.

Therefore, in the benefit of the students and to cover the syllabus, the school management is going to conduct Special Classes for the upcoming batch of students of **X and XII for the academic year 2022-23**. These special classes will begin from **Monday, March 14, 2022 through Offline Mode** only. Hence, parents are kindly requested to send your wards to attend the classes regularly.
- Orientation for Class-I:** For the newly admitted students and for their parents, there will be an orientation programme on **Saturday, March 26, 2022**. The programme will be held in different slots. The timings and the slots will be informed later.
- The Text Books and Uniforms:** For the convenience of the parents, the school has made arrangements of Books and Uniform counters in the school campus itself. The counters will be functional on the date of PTMs.
